

# **ANNOUNCEMENTS FOR**

## **Tues. Sept. 19, 2023**

There will be a Freezie sale in the Agora Friday after the Terry Fox Run. This is a fundraiser for the Rugby New Zealand trip.

The Carson field hockey team opened up the season with an impressive display of teamwork, defeating Windsor 4-1. Amazing job ladies!

Attention Carson Graham Student Ambassadors: Please ensure you are reading every day the messages sent to the Student Ambassador Team. Counsellors need your help with all the new students arriving every week.

### **Terry Facts you maybe didn't know!**

Terry Fox has had a lasting impact on the country of Canada and the world.

When Terry Fox's leg was amputated, he was fitted with an artificial leg made of fiberglass and steel. At the time, artificial legs were not built for running, so running a marathon a day was painful and caused chafing. However, Terry persevered through the pain as well as the intense Canadian weather.

There are 14 schools in Canada named after Terry Fox, 15 highways and roads, and one mountain!

This Friday Sept 22nd we can show our Eagle Pride and support by participating and donating for Cancer research.

Block 2 Teachers please look for information envelopes in your mailboxes!
