

CARSON GRAHAM
SECONDARY

May 30, 2014

Dear Parents / Guardians:

As the school year nears conclusion, I want to provide an update with our June calendar that will impact all of our students. In an earlier correspondence, I shared with you calendar details pertaining to the final weeks of school (June 16 - June 27). Please do visit our school website under "Quick Links" for our complete June calendar and do not hesitate to contact the main office if you have any questions.

As you may recall, June 23-25 were the days targeted for our Review, Completion and Enrichment classes. Given the current labour dispute, the BC Public School Employers' Association (BCPSEA) has announced that June 25, 26 and 27 will be lock out days for secondary teachers across the province. Consequently, the schedule for Wednesday, June 25 will now only include the Apprenticeship and Workplace Math 10 provincial exam, barring any further updates. Our Review, Completion and Enrichment schedule for June 23rd and 24th remains unchanged.

By June 9, our teaching staff will be informing students and parents if your child should attend any review and completion sessions. Generally, any student with a current mark below 60% will be asked to attend. For students who wish to participate in any enrichment classes, we ask parents email carsongraham@sd44.ca by June 13 indicating your child's name, grade and the enrichment course(s) they wish to enroll.

We regret the impacts associated with the current labour dispute and appreciate your patience as we continue to navigate through June. We all hope for a speedy resolution at the bargaining table.

Sincerely,

Karim Hachlaf
Principal
