

# Promoting Positive Youth Development in our Schools and Community

What supports are available to promote social emotional wellness?  
How do we foster social responsibility in our schools and community?

Please join us for a  
**Community Information Evening**  
with guest speaker **Dr. Kimberly Schonert-Reichl**  
**Monday, April 22, 2013**  
**7:00 - 9:00 pm**  
**Windsor Secondary School**

North Vancouver School District, in collaboration with key community partners, is offering this evening to provide information about initiatives and programs that together provide a strong foundation for student learning.

"If we want our children to succeed in both school and life, we need to promote their social and emotional skills." ~ Dr. Kimberly Schonert-Reichl
