

# CARSON GRAHAM SECONDARY

Dear Parents and Guardians of this year's graduating class of 2018, this email is sent to you on behalf of the Carson Graham Yearbook Journalism 10/11/12 class.

For the fifth year now, the Yearbook students would like to include a section called Public Displays of Affection (PDA) for our graduates. Over the years this concept has been growing in popularity.

In short, a parent, guardian, grandparent, sibling or relative may purchase a PDA for your graduate and have it printed in this year's Yearbook. The PDA consists of two parts: a favorite photo, typically of when the student was younger and a personal statement of affection.

While our graduating students know of the concept through previous yearbooks, the Yearbook staff will keep the name of the contributor and the content of the statement confidential until the time of publishing.

If you are interested in this option please complete the following instructions prior to December 1st 2017:

Email a **digital** picture and a maximum message of 120 characters (words, spaces, punctuation included) to [yearbook2018@carsongraham.ca](mailto:yearbook2018@carsongraham.ca) Process an online payment to Yearbook PDA with the school for \$25.

Thank you for your consideration.

Sincerely,

**Shannon Van Baalen**  
Carson Graham: Photography and Yearbook Journalism
