

Tuesday, September 6, 2022

Dear Carson Graham Community,

It was great to welcome students back in the building today! We would like to provide some helpful information for students and families:

1. On Wednesday, Thursday and Friday of this first week, all students must attend their **Advisory block at 9:12am**. This will be in the same location each morning and will be students' **Period 2 class**. This is mandatory for attendance data and the sharing of important information regarding technology, calendar and other details vital for student success. Advisory will be followed by an altered schedule for classes until 3:00 pm.
2. Any students who did not pick up a schedule today can do so on Wednesday in front of the main office starting at 8:30 am.
3. Any students who did not have their photo taken today can do so on Photo Retake Day on Tuesday, October 11th.
4. The cafeteria will be open this week and accepts cash, debit, credit and Apple Pay.
5. Student access to North Vancouver School District email and MS Teams will be off for maintenance starting this evening. Service will be restored on Wednesday.

Best Regards,

Suzette Dohm
Principal
