December 11, 2020

Dear Carson Graham Community,

It is difficult to believe we are heading into the last week of classes before the Winter Break and the mid-way mark of Quarter 2. As such, grade 9 and 10 electives will change and our service delivery model will switch on Thursday the 17th for grade 9-12 courses:

	Monday December 14	Tuesday December 15	Wednesday December 16	Thursday December 17	Friday December 18
8:30 – 9:30	FLEX Time				
9:30 – 9:35	Transition Time				
9:35 – 11:55	Face-to-Face Instruction	Face-to-Face Instruction	Face-to-Face Instruction	Group A Face-to-Face Group B Remote Learning	Group B Face-to-Face Group A Remote Learning
11:55 – 12:40	Lunch				
12:40 – 3:00	Whole Class Online Remotely	Group A Face-to-Face Group B Remote Learning	Group B Face-to-Face Group A Remote Learning	Face-to-Face Instruction	Face-to-Face Instruction

I would also like to let you know of a staffing change at the administrative level. Next week signifies Vice Principal Walter Mustapich’s last week at Carson as he will be leaving Carson and returning to secondment with the West Coast Boys Network Foundation. There, he will focus on growing this network throughout BC by building strong community partnerships and I know that his skill-set will be a great asset to that organization.

Tim Ireland will be returning to Carson Graham as Vice Principal in the new year. Tim has served as the Vice Principal at Lynn Valley Elementary for the past few months. I know that his versatility and “people-first” approach will be missed there but we are happy to have it back in our building. Welcome back, Mr. Ireland!

Quarter 2 Interim Reports

Interim progress reports for Quarter 2 will be published on December 16 (end of day) to the [MyEducationBC portal](#). This report will provide interim feedback on the progress of your child in their Q2 courses prior to the winter break. It is our hope that this report will provide sufficient time for students and families to address any concerns regarding progress.

Please continue to remind students of safety measures in place at the school. Students are expected to use the entrance/exit closest to their classroom and stay in the same building wing during breaks. Additionally, they are asked to practice proper hand hygiene, mask wearing and social distancing. Please remind your child that for everyone's health and safety, it is incumbent upon all of us to do our part. Your assistance with this is greatly appreciated.

Sincerely,

Suzette Dohm

Principal
