ATTENDANCE – Options for reporting absences!

For your convenience, we have 2 easy methods to report student absences or late arrivals. These messages will be picked up at 8:30 each morning. After 8:30 please call the call-back line. Please make sure you leave your child's name, division and reason for their absence. If it is an illness, please list the symptoms so we can see if there are any trends in the illnesses.

- 1) 24-hour voice mail – 604-903-3426
- 2) CCattendance@sd44.ca (make sure the CC is capitalized!)

When your children arrive at school early

If your children have your permission to come to school early, please remind them that there is **no supervision** at this time. Students are to stay outside until the 2nd bell rings and until their teachers open their outside classroom door. The only reason students are inside before the bell is if they are participating in a school sponsored event. For their own safety please ask them to remain in visible areas outside, staying off of the grassy hill on the Primary Playground, and away the creek and from all forested areas.

Thank you.
