Orange Shirt Day September 30, 2019

Orange Shirt Day across Canada is recognized nationally and annually on September 30th. This date is significant as it is the approximate date that children would be taken to residential school. North Vancouver School District will recognize **Orange Shirt Day** on Monday September 30, 2019.

Orange Shirt Day was started by Phyllis Webstad, who is Northern Secwepemc (Shuswap) from the Stswecem'c Xgat'tem First Nation, to honour and recognize all those who attended a residential school because she believes that "Every Child Matters." You can read more about Phyllis' Story [here](#). Phyllis Webstad has recently published a primary book to complement her book The Orange Shirt Story.

If you don't have an **orange shirt** and would like to participate, please wear anything orange.

Hot Lunch Program 2019/2020

Our MunchaLunch ordering system will be open for fall orders on Monday, September 16th, 2019 and the deadline to complete your order is Sunday, September 29th 2019. The ordering will open up again in January for the second half of the year.

To login or register a new account, please follow this registration link:

<https://munchalunch.com/schools/covecliff/>

Online payment options are available, but if you elect to pay by cheque please provide payment as soon as possible. You can leave your cheque at the office. Our vendors need 8 days advance notice, any orders that are not paid for by October 1st 2019 are automatically cancelled by the system. A few changes to the menu this year. Local lift has a protein add on for the smoothies, and Katsu Sushi has a few new menu items.

Some facts about our program:

In addition to providing our kids with a Hot Lunch 2 days per week, our program also raises a significant amount of money for the PAC - over \$15k last year! These funds help our kids and their teachers, as money donated through the PAC is used to provide items such as new computers and iPads, books, additional educational opportunities, busses and so much more.

To ensure our kids get their hot lunches accurately and promptly, we need between 3-6 parent volunteers each Monday and Friday - this works out to over 300 person hours during the school year!

Each of the 6 hot lunch coordinators put in at least 20 additional hours to make sure the food is delivered to our school on time.

If you are new to the school, looking to connect with other parents, or simply want to help out, volunteering with the hot lunch program is a great way to support our kids and their school! Each shift is approximately 1 hour and you can choose to help out any Monday or Friday for any of the Hot Lunch options.
