December 10th : Report cards published

Information and Reminders

- Please remember to do the **Daily Health Check** prior to coming to school.
- **Please send your child to school with an EXTRA mask in their backpack.** Even if your child does not wear a mask during class time, **wearing a mask is required if your child needs come to the medical room for treatment.**

Spaceball

The Spaceball on the Intermediate playground has been closed for a few months now. Some of the ropes have come loose and we are waiting for the contractor to do repairs. We know how much the students enjoy the structure but we have to make sure it is safe. NVSD Maintenance has a contractor that will be removing the web, repositioning it and then tensioning the ropes properly. It is a large project that will take some time. Please let your children know that we are waiting for it to be repaired.
