Halloween

- Students may arrive at school dressed in their Halloween costume.
- After the virtual parade and prior to recess, students will be asked to change back to their regular clothes and store their costumes for the remainder of the day in their backpacks or cubbies. Students will need to wear a non-medical face mask with their costume.
- Please ensure that your child brings a change of clothing to school and takes all costume items home on Friday afternoon.
- Perhaps consider a “school costume” that is different than Halloween night.
- We ask that all costumes are appropriate for an elementary school setting – No blood, excessive gore, creepy clowns or weapons.
- Please have culturally sensitive costumes as well. We ask that our students follow the Cove Cliff Code of Conduct. We ask that costumes do not create potential tripping or visibility hazards, are manageable without adult support, and can be stored easily in the student’s backpack or cubby.
- Each year schools can have a significant amount of garbage (candy and fireworks) on the grounds/field the day after Halloween. If you would like to help us clean up the grounds on the weekend, we’d really appreciate your assistance in making the grounds safe for our children.
- Please remember that we are not allowed to bring in food to share or gifts. We encourage families to take costume photos at home.

We are looking forward to this fun event! Thank you for your continued support.
