Eastview School Plan

VISION

Eastview represents a community of learners engaging respectfully with an open mind and open heart.

GOAL

To strengthen our sense of community at Eastview

Community: is defined as a group of learners and leaders where everyone has a role, purpose and a strong sense of belonging.

Strategies

- a. Develop a common understanding of an Aboriginal World View
- b. Use Circle and Slahal to support problem solving
- c. Include place based learning in instruction to develop a relationship with nature
- d. Develop relationships with our local First Nations communities
- e. Learn our shared history through story

OBJECTIVE

To include Aboriginal World Views throughout school culture.

OBJECTIVE

To communicate student learning in meaningful ways.

Strategies

- a. Enhance Community Sharing Report
- b. Encourage home-school communication
- c. Include communication as a key component to lesson planning
