

School Supplies List 2020-2021

Eastview school will continue with bulk ordering of student school supplies for the coming 2020-2021 school year. This is being done in order to provide supplies of consistent quality and quantity, and to enable the purchase of exact materials needed for the classroom. In recognition that families may have been financially impacted during this global pandemic, the Parent Advisory Council and School have arranged funds to help supplement the cost of supplies for next year. We are trying to keep the costs as low as possible, lessen your shopping time, while being more environmentally friendly with less waste. During the first couple of years we will be finessing the procedure, but we believe that in subsequent years families will benefit even further from this system. We are pleased that we will be able to reduce the cost this year from last.

Intermediates - Students going into grades 4, 5, 6 and 7 - \$47 (including planner cost)

Primaries - Students going into grades 1, 2 and 3 - \$30

Participation in this bulk ordering is optional but we highly encourage families to participate. Due to the current situation, we will be collecting School Supply fees online, through our School Cash Online system. <https://sd44.schoolcashionline.com/> If you are choosing to defer your school supply payment at this time, no action is required. You will receive an email reminder prior to the start of the school year.

Purchasing Supplies on Your Own

If you choose to purchase separately, we request that you send the following items to school in the first week of school.

Individual teachers will have further request of items as the year progresses.
