CAREER FAIR

Sports, Recreation and Health Care

November 17th, 2023

The North Vancouver School District is extending an invitation to staff and students to attend a **Career Expo in Sports, Recreation and Health Care**. We are thrilled to be partnering with *The Washington Kids Foundation* in hosting this event on Friday, November 17th, 2023 between 9:30-2:45pm.

The main purpose of the fair is to introduce students to the variety of jobs that can be obtained in these career focus areas. Career exploration opportunities such as this, are essential for students by offering a window into their future. In order to be able to make informed educational choices, we aim to have many guests attend to help students gain practical insights into different professions and positions that may be available.
