April 29-May 3, 2019

Ahoy All!

Tall ship sailing with SALTS has become a tradition here at Handsworth and this year we will be celebrating our 20th voyage. Over one thousand Handsworth grads, current students, and alumni have been incredibly fortunate to have participated in this unique and amazing experience!!

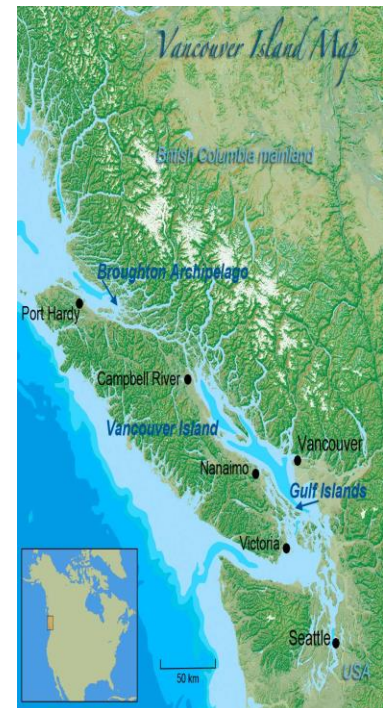

In recognition of this anniversary Salts has confirmed that they will sail

from Victoria and finish our trip here in North Vancouver at the LONSDALE QUAY!! This is a first for Salts to have changed arrival destination for any High School and a very exciting addition to this

inspirational and environmentally educational voyage. We still have a couple spots available.

The total cost is **\$1350*** and includes everything!

Included: **Transportation to Victoria Inner Harbour.**
 5 days / 4 nights on a Tall Ships.
 Junior Sailing Certificate
 All meals (great food!)

There are a couple of available spots still available.
