

December 2018

Dear Parents,

As winter weather has arrived, please note the following as it relates to the school.

For safety reasons, and depending on the weather, the layby area at the front of the school and the access gates at the back of the school may be closed. The main walkway entrance at the front of the school will be cleared and salted, however, access from the east end of the school may be limited.

Parents/guardians are responsible for their children's safe travel to and from school. If for any reason there is concern that a child cannot travel safely, other arrangements should be made. Parents/guardians are also encouraged to establish an emergency plan for their children in the event that schools are closed, start late, or dismiss early. Please ensure that your children are dressed appropriately to get to and from school.

Please refer to *Winter Weather Info 2018-19* on the school district website (sd44.ca) for further information.

Sincerely,

Todd Henderson
Principal
