Intention of the Week

- The intention of the week for this week is "I help make others feel good about themselves."

Important Information & Reminders

- **Lockdown Drill** - Every year, schools must conduct a lockdown drill. We will be doing this on Wednesday, March 8. Teachers will be talking with their students about this drill on Monday or Tuesday, so that they know what it is about and to ensure that students feel comfortable.
- **Student Pick-Up during school hours** - A gentle reminder that if a student is leaving school early, they **MUST** be signed out by a parent/guardian in the office. Please park your car and sign your child out. Upon return, students must sign in again at the office. We appreciate your help to make sure all students are safe. Thank you.
- **Games and Green Day on Friday March 10.** To finish school before Spring Break, we will be having some community building fun at Larson. It will be Green Day where students are encouraged to wear green with a focus on the environment. We will also be doing a schoolwide games afternoon in classes. Students will be able to bring in a board or card game, like Uno, to play in class. Teachers will organize and communicate more about this. We will also be doing an assembly where a number of classes will perform for the school.
- **Lost & Found** - During Parent/Teacher conferences this week, please take a moment to look at the clothing that has accumulated since September. At the end of the week, all the clothing will be donated to Salvation Army and clothes bins as we cannot hold on to it.
-  Upcoming event - **Scholastic Book Fair** will be held in the school library during the week of April 17th. More details to come!
- **School is closed for Spring Break Vacation. Students return Monday, March 27th, 2023** We wish you a restful and energizing spring break!
