

# Larson Weekly Update

**Week of February 24-28, 2020**

## **Announcements and Events**

---

**Intention of the Week:**  
My words have power.

**Core Competency Connection: Personal & Social Competencies:**  
I recognize that there are different points of view and I can disagree respectfully.

### **Larson School - Communications Survey**

Thank you to the parents/ guardians that participated in our Communications survey. We presented the results at our PALS meeting on Thursday, February 20, 2020 and will be working to implement the following recommendations for communications from the school:

- Continue to distribute weekly Larson email
- Content needs to be in the body instead of in a PDF
- Update website and explore whether the weekly email can link back to the website for greater detail
- Explore email layout/graphics to separate content to make it easier to read the information
- Do not add any new platforms as there is frustration with multiple platforms, each with their own log-in (Report cards, School cash, Muncha-lunch, Classroom sites, etc.)
