Students Return to School		Homework Club 8:15—8:45 Library		Homework Club 8:15—8:45 Library

Intention of the Week: “I will make the most of new opportunities”.

A Message from our Principal

It has been an amazing school year so far with many great memories made. Teachers and support staff have been providing many engaging learning opportunities for students. Our older students, especially our Grade 7 students, have taken on many leadership roles and have helped make this year great so far.

We are so proud of them. Over the past four months, students have been able to participate on various in-school and out-of-school field trips and experiences like Young Actors and The Nutcracker.

Early on in September, the students did an amazing job during our Terry Fox Run this year and we are so proud of them for the money they also raised. PALS held the Ice Cream Social which was another excellent community event.

Later in September, we held our annual Truth and Reconciliation Assembly where we all sat in a large circle format and shared a story. The show of support by staff and students, in the wearing of orange shirts, was inspiring and humbling.

In October, we held our Student-Teacher-Family conferences where everyone worked to together to support students developing a learning goal for themselves for the year. Larson also showed fantastic Halloween spirit by dressing in fun costumes and finishing the day with a school wide parade on the field. Even staff got involved.

In November, we had a school wide presentation by Michael Bortolotto who talked to students about diversity and inclusion. We also recognized Remembrance Day and National Indigenous Veterans Day. The students showed incredible respect for our veterans.

December is always a busy time of year, including teachers preparing report cards, known as written learning updates, now. We saw the return of winter concerts this year. Thank you to Mme. Super for organizing the concert and preparing the students and staff. As well, thank you to Ms. Shohba and Ms. Madison, along with other EAS for the wonderful decorations. Also, thank you to PALS for their support. We wrapped up 2023, with our Kindergarten to Grade 2 classes going to Carson Graham Secondary today for Santa’s Breakfast.

On behalf of the entire staff at Ecole Larson Elementary, we want to wish all of our Larson families a wonderful holiday season and a Merry Christmas. We hope you are all able to enjoy time with family and friends, which is what the holiday is all about!
