

# Lynnmour Xa7elcha

November 18th, 2022

*We would like to acknowledge and thank the original stewards of this land, the Coast Salish people whose traditional territory North Vancouver School District resides on. At Lynnmour/Xá7elcha we are grateful to the Skwxwú7mesh and səlilwətaʔ with whom we share this beautiful land we live, learn and grow on together.*

## Library Update - from Ms Breeze

### Scholastic Book Fair

We were excited to host a book fair in school again: the students enjoyed browsing through the books and discussing their suggestions for the library as well as doing some shopping.

Our student volunteers were a great help, especially with the after school shopping times.

We raised \$750 in rewards for the school, which will be used to buy new materials for the library and classroom libraries.

A huge thank you to all our students and families who supported the book fair both with their time and their purchases.

### Library Books

Next week, students will be bringing home reminder notices showing books that are overdue.

Please help students locate and return their books so that our school community can enjoy all the resources we have to offer.

Thank you!

Ms.Breeze

## Calling on Volunteers! - Winter Market help needed

The family favourite Winter Market is back!! Anyone willing and able to volunteer for Dec 5th between 8:30 and 2:30 to set up the market and Dec 6 to run the market between 8:30 and 4:30 please send an email to Analise Saely ([analise.saely@gmail.com](mailto:analise.saely@gmail.com)).

Even if you cannot commit to volunteering, you can still help out. The school will be collecting donations of gently used household items to be sold at the market.

Please look for a communication from classes with more info.

## You can donate new or gently used items:

### Yes, please, donate:

- sports equipment
- household items
- toys (new or almost new)
- books and games
- homemade crafts & seasonal items

### No, please, do NOT donate:

- clothing
- broken or soiled items
- used / dirty stuffies
- old electronics
- food items

***\*Please, ONLY donate items you would buy yourself. Avoid broken, dirty, and recalled items. Thank you!***

## Health and Safety of staff and students

T'is the season! Staying home when ill (or when illness symptoms are present) is an important way to get well faster! Coming to school and passing germs around negatively affects staff and students in and around the school. We'd like to say that we will consistently have replacement staff available, however the reality is that some of our staff have special skills that just can't be replaced. In order to ensure that everyone can continuously attend classes and receive the help they need, please be mindful of how your child is feeling and if they are well enough to come to school to learn. Students who come to school while feeling unwell, are often unable to regulate, learn and process information until they are well. The sooner they rest and re-cooperate, the better for everyone!
