IB Learner Profile in Action

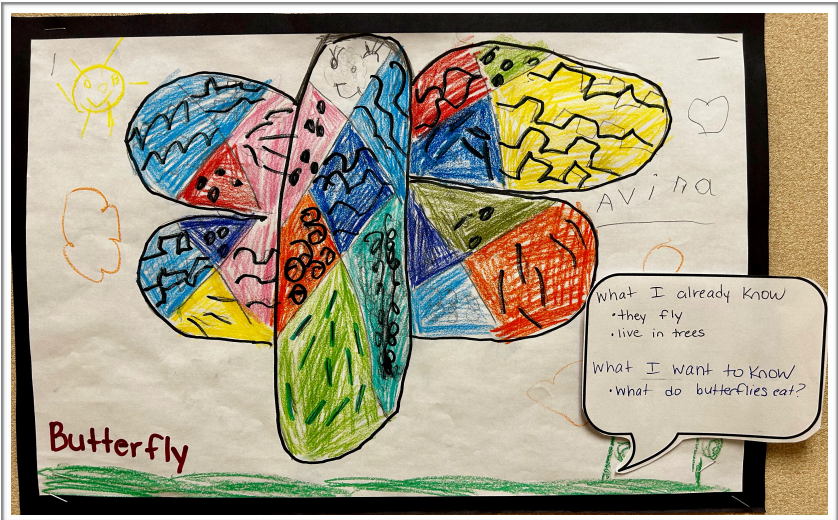

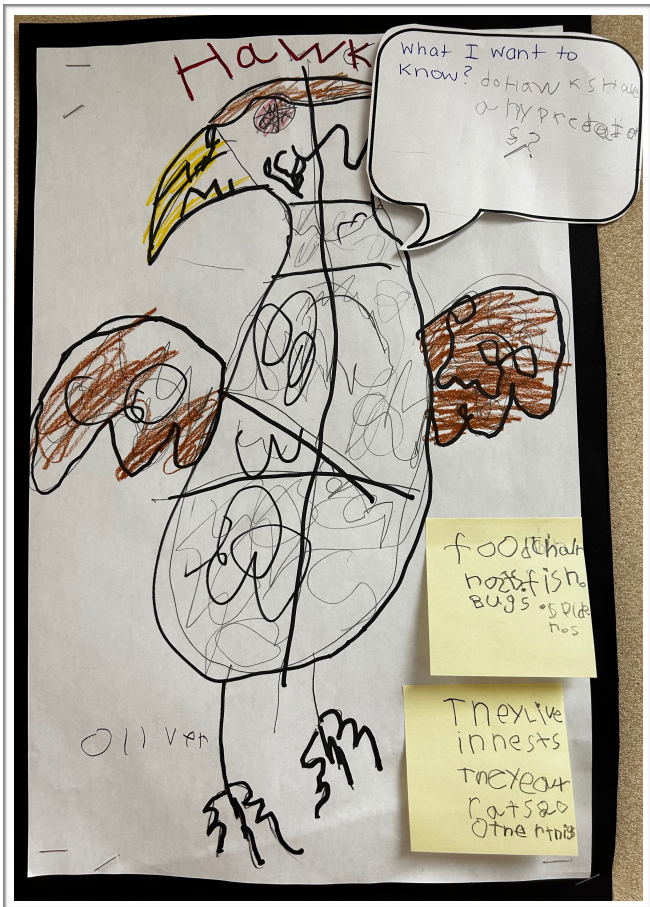

Balanced: It was great to see so many kids and parents out enjoying the snow. Their snow constructions speak to how creative and determined the kids were. They win for making the biggest snowman I've ever seen!

Thinkers: Students in Division 3 exercised creative thinking by creating mixed media art pieces.

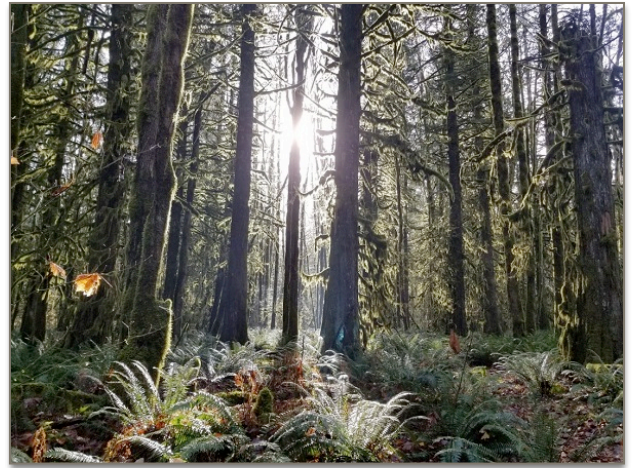

Balanced Risk-Takers: Kindergarten students, and even Mr. Jeffrey, had fun skipping, hula hooping, and more in the gym.

Thinkers & Inquirers: Grade 1 students shared their background knowledge about different animals, as well as a question they are inquiring into as part of their Sharing the Planet unit of inquiry.

Parent Session: North Vancouver Outdoor School & Longhouse Programs

Each school year students in grades 3,4 and 6 all have the opportunity to go to the Cheakamus Centre. This has been part of education in North Vancouver School District for over 50 years. As this is new to many families we have booked the principal of the Cheakamus Centre, Conor McMullan, to come to school on Monday and meet with parents to share the different opportunities with you all. This is a once in the year opportunity to hear directly from Principal McMullan and ask any questions you have. Coffee, tea and snack will be provided. You can see more information here [Outdoor Education and Camp in BC | Cheakamus Centre](#)

Location: school library

Time: 8:50 - 9:50

We are hoping that all students will participate in these wonderful programs, so encourage you to join us for this informative session!

Breakfast Extravaganza!

On Friday, February 2nd, Woodbridge Homes is returning to Norgate Xwemélch'stn to provide our students with another breakfast! They will be serving pancakes, turkey sausage, yogurt cups, and more yummy items!

The exterior door to the Eagle's Nest will be opening at 8:00, with food service ending at 8:30 a.m.

A big thank you once again to Woodbridge Homes Ltd. for volunteering their time and delicious food for our students.

Traffic Flow Around the School

We are keen to improve traffic flow around the school during drop-off and pick-up times. Therefore, you might see in the coming days/weeks school district/North Vancouver district personnel outside taking note of issues and flow patterns. While we try to figure out means to improve traffic flow, we ask that everyone *please* abide by posted bylaw signs, including speed limits and stop signs, park only in marked parking spaces or where street parking is permitted and do not block/park in residents' driveways! Please also respect our staff members by not parking in the staff lots. *Thanks very much!*
