IB Learner Profile in Action:

Balanced: We had fun sharing joy through our Pink Shirt Day dance! Thank you to Ms. Sura for teaching us the dance and to Ms. Kruger and Ms. Birchenall for taking the lead on this special event!

Risk-Takers: These students courageously shared in their mother languages the story of Pink Shirt Day during our assembly.

Balanced & Principled: The Grade 6s got out in the snow at Outdoor School! Staff members shared they were impressed with our students' enthusiasm and behaviour - way to go Gr. 6s!

Balanced Communicators: The Kindies got outside to share their knowledge of the letters of the alphabet in the fresh air.

Thinkers & Communicators - The Kindergarten students celebrated their 100th day of school today! During the day they showed their understanding of how many 100 is by bringing and grouping 100 items as well as engaging in many activities to mark this special day. *Congrats, Kindies on your 100th day!*

How to Access Learning Updates (Report Cards)

Session for Parents/Guardians ~ March 4th – 8:45 a.m. in the Library

On Monday, March 4th, we will host a parent Monday Morning Mingle at which we will look at learning updates (report cards). During this session we'll talk about:

- What does each part of the report card mean?
- How are the IB Approaches to Learning and Learner Profile are reported on?
- And, most importantly, how do we access the report cards?

We're looking forward to seeing as many parents there as possible! Personnel from Impact North Shore who are Farsi-speaking will be in attendance to help with translation and answer questions parents may have about learning updates and how to access them.
