Overview

G2 Athletics is a locally based basketball program lead by NBA Skills Coach Gabe Gibbs and the G2 coaching team that provides athletes of all ages and skill levels the development of fundamental techniques and knowledge required for the game of basketball. This is the 1st annual after-school youth program for Queen Mary Elementary School and is open to all students from kindergarten to grade seven and will focus on teaching the basic skills of basketball including: dribbling, passing, shooting, ball handling, and positioning. This program is also aimed at improving the athletes' basketball intelligence and skill sets through the use of drills, fun games and scrimmages. The goal of the coaching staff is to promote the game of basketball while emphasizing the importance of sportsmanship, physical activity, and teamwork to the young athletes. The coaches will ensure that the athletes have a positive experience with basketball training as they will be preparing them to play and handle game situations.
