

# WELCOME TO KINDERGARTEN AT QUEENSBURY!

*Respectful | Responsible | Resourceful*

## Orientation

We are looking forward to welcoming groups of students, at prescribed times on Tuesday, May 30th. It is important to attend this orientation as it allows for students to be introduced to their new school and surroundings. Due to the complexities of scheduling orientation for all Kindergarten students, we thank parents in advance for your flexibility in meeting at your child's assigned times (surname/alpha order):

A-D 9:00-9:45

H-M 11:00-11:45

N-Z 1:00-1:45

## School "Jitters"

The first few days of school can be difficult for both students and parents, especially our newest learners entering Kindergarten. Nervousness when beginning something new, at any age, is very common! Stay calm and reassure your child that everything will be great!

Anxiety Canada has produced an informative and engaging video. Click [HERE](#) for tips from their website.

## A message from the office

Dear Families,

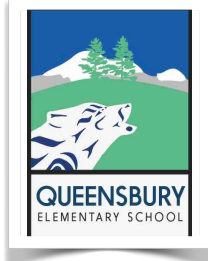

We are pleased to welcome you to Queensbury and begin by thanking the Coast Salish peoples, specifically the Skwxwu'7mesh Nation and the Tsleil-Waututh Nation, upon whose traditional territory our school and the North Vancouver School district resides. We value the opportunity to learn, share, and grow together and we are honoured to be part of your child's learning journey. We are ready and excited to welcome your child in September!

At Queensbury, we strive to provide a safe, caring, engaging, and inclusive learning environment for all learners. We do this with a focus on recognizing and valuing the diversity of the school community and that every member of our community has a place and a story. We recognize that, in order for a student to experience success, they must feel safe, both physically and emotionally, as well as valued for being themselves. We also

## We are the Queensbury Wolves

The Wolf Symbol represents loyalty, strong family ties, good communication, education, understanding, and intelligence.

Of all land animals, the Wolf is a very social and communicative creature, he uses body movement, touch, and sound. The Wolf Symbol has an important cultural significance to first Nations in North America.

## We believe...

At Queensbury we believe that all members of our community should feel safe, welcomed and valued.

We are:

***respectful, responsible,  
resourceful***

## Queensbury is a Second Step School

---

What is Second Step? (<https://www.secondstep.org>)

It's a difference you can feel the moment you step through the doors to a Second Step school: a sense of safety and respect grounded in the social-emotional health and well-being of the entire school community. Second step is a program rooted in social emotional learning(SEL) that helps transform schools into supportive, successful learning environments uniquely equipped to encourage children to thrive. More than just a classroom curriculum, Second step's holistic approach helps create a more empathetic society by providing education professionals, families, and the larger community with tools to enable them to take an active role in the social-emotional growth and safety of today's children.
