Please send the item listed below along with your child on Friday, October 7th, the day of the event, in a labeled container. Plan on having enough food to serve approximately 4 people to share (this is to be a small snack for students from Kindergarten to Grade 7). **The food items should be cut up and prepared as finger food.**

Reminder: ***Please no nuts, kiwis, melons or dips,*** as we have students with allergies to these items.

Grades 3 & 4: Please bring **Veggies** (cut up and enough for 4 people)

Grades 5, 6 & 7: Please bring **Fruit** (cut up and enough for 4 people.)

All students are encouraged to also bring a non-perishable item for the Harvest Project food drive. **MOST NEEDED ITEMS:** Peanut butter, Canned meat + fish, Cereal, Canned green beans, peas + corn, Pasta sauces, Canned fruit, Condiments, Granola bars, Cookies + crackers
