Dear Ross Road Families,

It sure has been a unique year for all members of our Ross Road community! We could never have predicted the extent of where we would be at this time and are truly grateful for your ongoing diligence and partnership. We are so proud of our community, particularly your children, who have shown a great amount of compassion, flexibility, and kindness during this unprecedented year.

We acknowledge that you were sent our second Exposure notification last Friday. This will impact and affect everyone differently. The health, safety and well-being of our Ross Road community continues to be our highest priority. Below are some key items that we ask your attention with:

#### **Important Health and Safety Information**

1. [Daily Health check](#)
2. Send your child with a mask
3. School grounds are closed during the school day AND before/after school

The communication we continue to receive from the Ministry of Health and the Ministry of Education is to encourage families to perform the [daily health check](#) prior to sending their children to school. Please take time to review this document and ensure you are familiar with all the details.

We are **encouraging ALL students to wear masks at school**. This is mandatory for all staff members and students in grades 4-7 (and students in the grade 3/4 class).

**We encourage all Ross Road students and community members to wear masks while at school.**

School grounds are closed from 8:30am-3:30pm daily. Please be mindful to continue to arrive and depart school in a timely manner. Please continue to

remain off the property during the day to allow classes to maximize space for outside learning.

**Reminder Grade 7 Fundraising opportunity**
