Dear Ross Road Families,

Don't forget this week is staff collaboration on Wednesday so school ends at 1:50pm—mark your calendars! Staff will be participating in a workshop on physical literacy outside around the school. We are asking all families to please leave school grounds right after dismissal to help facilitate this and allow for maximum space.

We are on our final unit of study for Second Step. We encourage you to use this as an opportunity to engage with your child on this topic. The focus this week is around prosocial behaviour on the playground:

At our school it's important to notice and have empathy when other kids are being left out. Inviting other students to play is a caring thing to do. When we invite others to play, we will get to know them. At recess this week, notice if anyone is being left out and be sure to ask that person to join in and play!

Important Health and Safety Information

1. [Daily Health check](#)
2. Send your child with a mask
3. School grounds are closed during the school day AND before/after school
4. Send your child with a water bottle daily

We encourage all Ross Road students and community members to wear masks while at school.

Ross Road's Got Talent!

The PAC is organizing a virtual online talent show to entertain families as a wrap-up to their Online Auction and to celebrate spring as a school community.

Students are encouraged to submit a video to show off their talent. Videos will then be incorporated into the *Ross Road's Got Talent* show that will also include prizes and fun games for families tuning in.
