

Satisfaction Survey 2014/15

The Provincial Satisfaction Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

During the weeks of April 13th – 30th, the Satisfaction Survey will be administered to students in grades 10 and 12, their parents, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. All that is required is a logon number that can be attained by contacting the school (email seycove@sd44.ca or call 604.903.3666). Provincial, District and School Reports for previous years can be viewed at the same site, without a logon number.

The school will be open for parents on April 16 who would like to participate but do not have access to a computer. This will occur during parent teacher interview times (2 – 4 pm and 6:30 – 8:30 pm). Please connect on this date with either Dr. Overgaard or Ms. Roberts if you would like to use this time to complete the survey.

For parents who do not wish to use school computers, local public library computers may be another option.

The e-survey site will be open until April 30, 2015.

Thank you in advance for your participation.

Sincerely,

David Overgaard
Principal
