Welcome

We would like to thank the Coast Salish people, specifically the Skwxwú7mesh Nation and Tseil-Waututh Nation, whose unceded traditional territory the North Vancouver School District resides on. We value the opportunity to learn, share and grow on this traditional territory.

Thank you to PAC

Celebrating Learning

National Indigenous Peoples Day Celebration
Cates Park

Thank you to Andrea Yeo for organizing this important celebration.

Pride Month

June is Pride Month and commemorates the Stonewall Riots that occurred in June 1969. The catalyst for early Pride celebrations was the need for equal rights to be extended to all 2SLGBTQ+ people. This call for a world without discrimination based on sexual orientation, gender identity or gender expression is the reason we continue to celebrate Pride today.

At the North Vancouver School District, we believe schools should be inclusive places where all feel safe, accepted, supported, respected and welcome. We are committed each and every day to ensure students and staff see themselves reflected in their school community and feel empowered to be the best version of themselves.

PLP Exhibition

On the evening of Thursday, June 16th, all the PLP learners from grades 8 through 12 presented live: "**IMPACT!: An Exhibition**".

Visitors went on a journey of learning as PLP 8 and 9 shared the path they took to become PLP learners and showcase the work they did this year. Then, the skills and competencies they developed in that journey were reflected in the inquiry of PLP 10, 11, and 12 as those learners showcased projects celebrating the impact makers that have made a difference in our community. Many of the impact makers joined us and were moved to be celebrated in such a public way for their contributions to this community.

We were so proud to see all the learners share their hard work and have the entire community join in a celebration of their year.

Grad Class Gift to Seycove

Seycove's outgoing grad classes give a gift to the school to honour and acknowledge their 5 year relationship prior to their departure. The Grad Council is in charge of the fundraising to pay for this gift. This year's gift was designed and painted by Grade 12 artists. They painted wooden blocks with scenes inspired by our Deep Cove community for all future students to enjoy. A wonderful team effort and a special keepsake for Seycove!
