**20<sup>th</sup> Century World History 12**

**Course Code: MWH-12**

Are you interested in events that have shaped our world in the past 120 years? Do you enjoy controversial topics and current events discussions? Do you like critical thinking and being academically challenged? If yes, then you will enjoy History 12. We focus on global events that have shaped our modern world. How has technology changed the way society operates? How did the collapse of long-standing empires shape our world today? How does the rise of Nationalism in the 20<sup>th</sup> century impact our world today? Join us learn how and why the world is the way it is.
