**Jazz in the Box**

**Course Code: MCMJV-11**

Seycove's elite vocal jazz ensemble Jazz in the Box provides students with the most challenging singing experience Seycove has to offer. This small, select 16-voice ensemble is made up of students in grades 11 and 12 who all also sing in Seycove's Advanced Choral ensembles and the auditioned Sr. Chamber Choir. Students focus on vocal jazz tone, style, harmony, solo singing, scatting, and improvisation. Throughout their time in the ensemble, these students enjoy representing Seycove at various events and festivals such as the Canadian Rocky Mountain Festival, the TD Jazz Festival, and Perform For Pride, entertaining their audiences with challenging, contemporary charts.
