

English 12

Course Code: MEN-12

The BC Ministry of Education's English Studies 12 course builds on and extends students' previous learning experiences in English Language Arts. It provides students with opportunities to refine their ability to communicate effectively in a variety of contexts, and to think critically and creatively about the uses of language. Students will explore texts from a variety of sources, in multiple modes, and that reflect diverse worldviews; this will allow students to deepen their understanding of themselves and others in a changing world, to gain insight into the diverse factors that shape identity, and to appreciate the importance of self-representation through text. Beginning in 2020-2021, all English 12 students are required to complete the Provincial Grade 12 Graduation Literacy Assessment.
