

Music 10 Choral Music Concert Choir

Intermediate Choir

Course Code: MMUCC10-01

Intermediate Choir is a non-auditioned ensemble for students in Grades 9 and 10. While no prior experience is required for this course, previous participation in choir would be an asset. Students will learn more advanced vocal technique, build on their basic music literacy, and become confident performing on stage. The repertoire becomes more varied and complex in this ensemble, and singers begin to focus on more mature themes in music. Students in this ensemble will go on a music tour either in Grade 9 or 10; locations have included Disneyland and Seattle.
