**Social Studies 10**

**Course Code: MSS-10**

Social Studies 10 is the study of modern history through a Canadian lens. There are four big ideas that comprise the course. First, global and regional conflicts have been a powerful force in shaping our contemporary world and identities. Second, the development of political institutions is influenced by economic, social, ideological, and geographic factors. Third, worldviews lead to different perspectives and ideas about developments in Canadian society. Historical and contemporary injustices challenge the narrative and identity of Canada as an inclusive, multicultural society.
