

Textiles 9

Course Code: MADT-09

This is an introductory course for Grade 9 students who have an interest in clothing, fashion trends, and learning how to sew. Students will investigate the social, environmental and ethical impact their choices will have on the local and global communities. Sewing fundamentals are emphasized throughout the year. Students will learn the correct care and use of sewing tools, the sewing machine, and pressing equipment. Highlights from Textile 9 include: PJ shorts/pants, hoodie/crewneck and the upcycling project.

Please note that ADST 8 is not a prerequisite for Textiles 9. Students purchase their own fabric and supplies.

Supplemental Fee Applies
