

Student Placement Request 2024-2025

Teachers know their students very well. We consider each and every student as an individual and as part of the school community when considering class placements. Students offer their voice by providing up to five students they work well with to their classroom teacher. If there is information that the current classroom teacher and/or the principal does not have and should consider when placing your child, please complete this form.

Please:

1. Complete the applicable section(s) below.
2. Do not request a specific teacher.
3. Do not request a specific friend/peer.
4. Complete this form and hand it in to the main office or email it to seymourheights@sd44.ca by May 31 - forms handed in after May 31 will not be accepted.

As per the School Act, the Principal will make the final decision of all class placements. The form will be considered if the above items are adhered to and will be shared with staff during the student placement process.
