

October 12, 2016

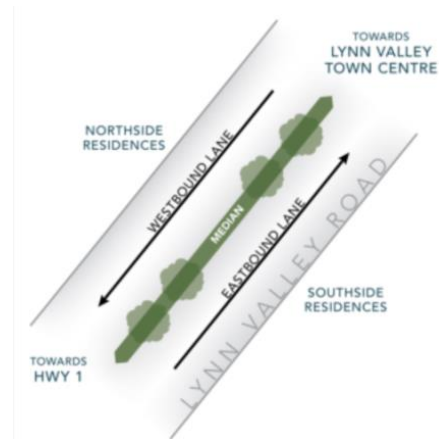

Dear Neighbour:

Starting October 17, construction will begin on the **Lynn Valley Road Widening, Safety Improvements and Bike Lanes Project** between Mollie Nye Way and Morgan Road.

This project involves temporarily removing the centre median, and paving a temporary lane to help with traffic management during construction. The road will then be widened from Mollie Nye Way to Morgan Road to create room for separated cycling lanes. The landscaped median will be replaced once the project is complete.

During construction, pedestrian access will be limited on the south side of Lynn Valley Road and bus stops will be temporarily relocated. Please watch project signage for further details.

Traffic management plans are in place and traffic control personnel will be on site during construction to ensure minimal impacts to our residents, however a temporary increase in noise and traffic congestion during construction are to be expected. ***Please follow all signage and flag person directions when travelling in the area.***

**Construction details:**

- **Contractor:** BA Blacktop
- **Start Date:** October 17, 2016
- **Duration of project:** 13 weeks (weather dependent)
- **Hours of Work:** Monday to Friday – 7:00am – 8:00pm; Saturday 9:00am to 5:00pm; Sunday and Statutory Holidays – No Work Allowed without DNV approval.

Please note, in order to minimize the impacts to traffic during busy peak periods, some night work may be required. You will be notified in advance if this occurs. Both the District and the Contractor are committed to minimizing noise levels during any night work.

- **Construction Speed Zone:** 30km/hr during construction

We appreciate your patience while we complete this work. Should you have any questions or concerns, please feel free to contact me at any time at 604-990-2349 or [munozs@dnv.org](mailto:munozs@dnv.org).
