

“The Sutherland Schoolyard Market Garden: Using Gardens in your Classroom.”

Monday, May 4th

1-2:30 p.m.

Sutherland Schoolyard Market Garden

This workshop will highlight the recently constructed Sutherland Schoolyard Market Garden and how this garden, and other school gardens, can be used as a classroom resource. The workshop will be outside in the Sutherland garden focusing on the curriculum connections of the garden.

Please wear weather-appropriate clothing. Refreshments will be provided.

Please email Jason to book your spot in the garden!
