Week of February 18, 2019

Westview's 'Together Time'

Tomorrow, Wednesday, February 20th, Westview students will participate in 'Together Time' for the fourth time this year. *Together Time* is a wonderful opportunity to build community and make connections within our school. Groups of students, with mixed ages from kindergarten to grade seven, participate in an activity together. The older ones help the younger.

In the fall, each group was matched with an indigenous animal and its traditional meaning. There are 14 groups. This week the students will learn how to say their group's animal name in the Squamish language. Ask your child which group they are in and tell you in the Squamish language and the traits of that animal.

In addition, tomorrow we will begin *Together Time* with a whole school assembly with 'kindness' as the theme.

QM After School Family Learning Program

Please see additional attachment for more information.
