Parking/Being a good neighbour

One of the goals of Westview's school plan focuses on fostering a positive community. This can be extended to our neighbourhood as well and how we as a school community present ourselves.

It is very important that we abide by bylaw signs when dropping off children for school and/or parking. Other considerations to driving to school are to: organize with your neighbours a walking school bus where a couple of parents walk with a group of children, or meet at Mosquito Creek Park and walk to Westview. Please consider the effects on our neighbourhood with all of the vehicle traffic.

Delbrook Community Recreation Centre with North Vancouver Recreation Culture Commission invite gr. 5-7 students

Please see additional attachment for an invitation to grade 5-7 students on Friday, February 8th.
