Grade 7 Dunk - Friday June 16th, 1:30- 2:30p.m

It's almost time for a favourite Westview tradition... *The Grade 7 Dunk!* This is a fundraiser for the Grade 7s; contributing towards a legacy gift from this year's Grade 7's to Westview School. The students, staff and families of the Westview Community are invited to purchase a bucket of water for \$1 and dump it over the head of a grade 7 student! See you there!

We Club

The We Club raised \$70 with the Lemonade Sale. This money will be given to the local SPCA. Thanks to all who participated!

Fun Day - Friday, June 16th

Westview's Fun Day will take place on Friday, June 16th. Festivities will begin in the gym where students will participate in tug-of-war and hula-hoop competitions. Students will be invited to visit various Fun Day stations between 10:35am and 12:10pm. A small treat, provided by the PAC, will be given to students as a snack following the morning recess. Students are encouraged to wear neon colours on Fun Day and come prepared for a day outside (eg hat, sunscreen, water bottle, rain jacket)

Lost and Found

Many items have accumulated in the Lost and Found. Please claim any of your child's missing items before the end of the school year.

Getting 2 School Safe

Please see the additional attachment for information from the City of North Vancouver School Travel Planning.

Grade 7/8 International Baccalaureate (IB - MYP) Transition

The North Vancouver School District is offering a unique program for grade 7 students transitioning into Carson Graham Secondary School for grade 8. Summer Learning Grade 7/8 International Baccalaureate (IB - MYP) Transition is designed for students transitioning to an IB Middle Years Programme (MYP) school from grade 7. This course provides an opportunity for students to be introduced to the MYP curriculum: the IB Learner Profile, Key Concepts, Approaches to Learning skills, and criterion based assessment, in order to support greater success in grade 8 and beyond. The nature of the course will be experiential; students will work in a variety of environments on various learning engagements to develop skills and gain confidence for an MYP high school.
