**June 8, 2020**

**Return of in-class instruction**

What a wonderful sight last week to see the smiling faces of children in our halls, classrooms and playground. I think my favourite part has to be at recess and watching the children run to the newly reopened playground.

I would like to thank you for your patience and understanding as we worked through the scheduling of in-class instruction.

For families whose children are attending in-class instruction please continue to remind your children the importance of physical distancing and proper hand washing. We also want to remind you to ensure a health check is completed before children are sent to school and to ensure that children who are unwell are kept at home.

**2020-2021 Calendar and Bell Schedule**

Please see additional attachment for the 2020-2021 school calendar and bell schedule.

**Fees/Supplies**

In the 2020-21 school year, again teachers of Kindergarten and grades 1-3 will be offering to purchase school supplies in bulk for students. For students in Kindergarten, teachers will collect \$45; in grades 1-3, teachers will collect \$45 and this will include an agenda. For students in grades 4-7 please see additional attachment for supply list. Agendas will be available for purchase for \$6.

**Withdrawals**

If you know that your child will not be returning to Westview Elementary in September, please notify the office ([westview@sd44.ca](mailto:westview@sd44.ca)) as soon as possible.

Sincerely,

Carla Orr  
Principal
