Ready Set Learn Event at Westview – “Language for Little Ones”

This is a 2 part series where we will explore the importance of language development in 3-5 year olds and show you some easy activities you can do at home to help build language with your child.

The first session will be for parents/guardians on Tuesday, May 2nd at 6:30pm to 7:30pm in the Westview Library. Our Speech and Language Pathologist, Diana Lamare, alongside our current Kindergarten teachers, will be making a presentation. Childcare will be provided in our Strong Start classroom.

The second session will be for parents/guardians and children on Tuesday, May 16th from 1:30pm to 2:30pm. The Kindergarten teachers will be leading several stations where you will have the chance to try hands-on language building activities with your child.

If you can only attend one of the sessions, it is fine as attendance at both sessions is not required, but it is recommended. Please RSVP to the Westview school office at 604-903-3840.
