Weather

We hope everyone was safe and dry during the storms on the weekend.

As fall weather is upon us, please ensure that your child comes to school dressed appropriately. Most days children go outside to play during recess and lunch. It is important that children have appropriate footwear and outer clothing for the weather. In addition, especially for younger children, it is helpful for your child to have 'indoor' shoes that are left in the cloakroom area of the classroom along with a set of extra clothes. These extra clothes can be left in the classroom with your child's name on the items in a bag also in the cloakroom area.

Online Payments

The North Vancouver School District is pleased to provide parents with the convenient option of paying school fees online! School Cash Online is a service currently being used by all secondary schools and more than half of the elementary schools, plus several specialty programs like Band & Strings and Academies. Throughout this school year, the remainder of schools will also transition to School Cash Online.

If you have not already registered, parents are encouraged to register for a School Cash Online account. Signing-up for an account is quick and easy. Detailed instructions are available here:

To register you will need your child's North Vancouver School District student number. This number is different from the student PEN. Student numbers will be emailed home to parents or can be obtained by contacting the school office.
