### **Halloween**

As with many things this year, Halloween will be a little different. We will not be having a whole school parade in the gym, but will be hosting a virtual parade on MS Teams.

Students are invited to wear their Halloween costumes to school or to wear black and orange. As a reminder, students are not to wear masks on their faces as masks might interfere with a student's eyesight or scare younger students. However, non-medical masks that are being worn during this time of COVID can continue to be worn if a student chooses. In addition, weapons of any kind, including pretend, cannot be brought to school. Unfortunately, food cannot be brought to school to share.
