SAFE ROUTES TO SCHOOL (SCHOOL TRAFFIC PLANNING)

Westview Elementary is working with the Westview P.A.C., the City of North Vancouver, North Vancouver RCMP, by law-enforcement and H.A.S.T.E. BC as part of a School Travel Planning Program to make travelling to and from school safer. On Monday January 18, members of these organizations came out to do a walk about of the neighbourhood to gather more information. As part of this initiative, RCMP and speed watch community partners will be on site, and as early as February, bylaw officers will make scheduled visits. If you want more information please contact the school or if you have specific concerns that you were not able to share at the walkabout or in the survey that was sent home in November please email Mrs. Lechleiter at klechleiter@sd44.ca . We invite you to be part of the solution process. In the coming months you will see and hear about a number of initiatives we are doing to help educate us all.

ICBC TIPS FOR SAFE WALKING:

LOOK!

Always look left-right-left and shoulder check before crossing.

LISTEN!

Remove your headphones so you can hear approaching traffic.

BE SEEN!

Wear reflective materials or bright clothes and use lights after dark.

IS A FRIENDLY REMINDER:

We can all make health and safety a priority for students by following a few simple steps.

WALK, RIDE & ROLL

Students who walk, ride or roll to school have something in common: better concentration, lower risk of obesity and heart disease, lower risk of depression and much more fun!

DRIVE TO 5

5 minutes away that is. Try parking a few blocks away and walking your child to and from school. You'll avoid the school zone chaos, get some fresh air and have the chance to learn something interesting about your child's day.

SLOW DOWN

School zone speed limits are 30km per hour between 8am-5pm on school days. Please don't speed.

SET AN EXAMPLE

Speeding, double parking, blocking driveways and making U-turns is unsafe and puts students at risk. Set an example for other drivers.

WATCH THE SIGNS

Respect posted signs and pay attention to designated drop off / pick-up areas. Never allow a child to cross mid-block.
