

Hi Everyone!

The Westview PAC is excited to be partnering with Thrifty Foods' Smile Program to help raise funds to purchase new technology items for the students of Westview. It's so easy! All you have to do is request a Smile Card below from the Westview PAC. Once you receive your Smile Card just take it to Thrifty's and load any cash amount on it, shop as usual and pay using your pre-loaded Smile Card! 5% of the amount loaded on your card will be donated by Thrifty's to Westview PAC to purchase technology items. Families may choose to order several cards for additional family members or to load as gifts! The campaign will run for the entire school year so you can reload over and over again; and in fact, you can keep the card and use it when we re-apply for the program next year! This year's fundraising goal for the Smile Program is \$2500.00

See additional FAQs for more information or email Andrea Dropko at Arabella@telus.net

Last Name	First Name	Email Address	Phone Number
Student's Name	Division	Teacher	Number of Cards Requested

Please return this form to the Westview PAC box by the office by November 30, or alternatively email your request with the above information to Arabella@telus.net. But remember you can order additional cards for family and friends anytime!
