Track and Field - grades 4 - 7

Practices are underway for both track and field events. To give students experience in a competition 'mini-meets' have been organized. On Tuesday, May 8th there will be a track mini-meet at Norgate Elementary from 3:30 p.m to 5 p.m. This will be for all running events. On Tuesday, May 15th there will be a field mini-meet from 3:30 p.m to 5 p.m. The grade 4 and 5 students will compete at Westview. The grade 6 and 7 students will compete at Capilano Elementary.

Parents will be responsible for their own child's transportation to and from these mini-meets.

Traffic

Please remember that the speed limit is 30 km/hr in a school zone. This includes Bewicke Ave. as well as 16th Street and 17th Street. Parking continues to be a concern around the school. Please follow signage for parking restrictions. Thank you for helping to keep Westview students safe.
