**Triple Ball games**

February 5<sup>th</sup> – Boys play at Westview

February 6<sup>th</sup> – Girls play at Westview

**School Entrance**

With the inclement weather upon us we know that children and adults would rather wait for school to begin inside the building than outside. This is just a friendly reminder that waiting for the bell needs to take place in the main foyer. We ask please that parents and students do not enter the lower and upper halls. Please also keep the entrances to the stairs clear. Teachers often have meetings with parents or colleagues and need to have this privacy respected. In other circumstances, teachers may be still getting ready for the morning learning.

**Pyeongchang Winter Olympics – February 9<sup>th</sup> to 25<sup>th</sup>**

On Friday, February 9<sup>th</sup> the Westview Leadership Club is encouraging students to wear Olympic gear or Red & White in support of our Canadian athletes competing in Pyeongchang, Korea.

**We Club**

This month the *We Club* will be running two fundraisers to benefit provincial charities. First, they will be selling Gold Heart pins just in time for Valentine's Day. The pins cost \$3.00 each. The profits will go to BC Children's Variety charity.

The second fundraiser will be selling pink anti-bullying buttons in preparation for [Pink Shirt/Anti-Bullying Day](#). These buttons are also \$3.00 each. Proceeds from this sale will go to the CKNW's Orphan's Fund.

These items will be on sale in the front hall before school each day leading up to Valentine's Day (February 6<sup>th</sup> to 14<sup>th</sup>) or as long as supplies last.

**Community Event – screening of a film on Anxiety**

Join the City of North Vancouver, Canadian Mental Health Association and Child and Youth Mental Health MCFD for a screening of **Angst: Raising Awareness Around Anxiety**.

**March 2, 5:30 - 8:00 PM, The Pipe Shop Venue at the Shipyards**

The film *Angst* takes an in-depth look at anxiety. Exploring its causes, effects and what we can do about it. It features candid interviews with kids and young adults, and includes discussions with mental health experts about the causes of anxiety and its sociological effects. As well as how to help, resources and tools.

Resource booths from community mental health supports and light refreshments provided.
