Student Talent

On Thursday, February 6th, Westview will provide an opportunity for students to show case their talents at a school assembly in the afternoon. The purpose of this school event is to provide students the opportunity to recognize the talents of their peers as well as provide an opportunity for students to perform their talents in front of an audience.

Pre-screening will take place next week Wednesday, Thursday and Friday at lunch. Interested students have been invited to sign up for an "audition" at the office. While the talent show is open to students of all ages, the number of participants will be limited. If your child will be participating in talent show, your child will be given a parent consent form by January 17th. While Westview families are welcome to attend if able; attendance is not necessary as this is a student-centered event. Seating will be limited.
