Scholastic Book Fair at Westview

Westview will be hosting a Scholastic Book Fair Monday, November 20th, Tuesday, November 21st and Wednesday, November 22nd next week. Each day the Book Fair will be open from 8:10 – 8:50 in the morning and from 12:20 – 12:50 during the lunch break and varying times after school.

Please join us next week and help spark the love of reading in our school community. The more books we sell, the more books our library will receive. You are invited to peruse book titles that will be available online at www.scholastic.ca/bookfairs

Three Way Conferences

Thursday this week is the first afternoon of three way conferences. Please contact your child's teacher if you did not sign up for a 20-minute conference time for you and your child with your child's teacher.

Students have been reflecting on their learning and preparing for the conferences. You as parents/guardians should also be prepared to share what you see as your child's learning successes so far this school year, as well as identify areas for growth that can be focused on over the next few months. Also attached to this email are a couple of documents that will help with this process.

During the conference, learning progress will be discussed, with student input and perspectives being an integral component. Together, students, parents/guardians and teacher will complete a 'Learning Plan', identifying the student's learning successes, areas for growth and goals for the coming months.

Westview PAC Communications

The Westview PAC is wanting to move to email communications instead of handouts, but they need your help. If you have not sent the PAC your email address this school year (since September), they are not able to communicate with you yet. Please take a moment to send an email to Westviewpac@hotmail.ca and join their distribution list.
